

Square Tech Training Program

Stipend Tech Internship for High School Students

Attention High School Students! Ages 14-19 years old

Square Tech is a Training Program with a stipend paid internship that recruits High School youth between ages of 14 – 19. This tech-based youth training program engineers a foundation of learning and developing skills through a series of technology and business-based training workshops. Students gain crucial 21st century skills, tech interest, boost their resume interest, build hands-on skills and more. They will have gained the knowledge and concepts in the entry-level IT fields that is in demand.

Interns:

- * Are stipend paid interns from the ages of 14-19
- * Undergo workshops and hands-on training that covers the fundamental knowledge and concepts of jobs in the entry-level IT fields.
- * Build their workforce skills.
- * Gain experience in technology
- * Choose 3-4 workshops they would like to take based on their interests.

Interns will learn:

- * Raspberry Py
- * Intro to Gameboy Arcade
- * Intro to Marketing
- * Intro to Networking
- * Intro to Budgeting
- * Intro to App Inventor
- * Intro to PC
